---

## Summary

---

Aspiring Frontend Developer with 1 year of hands-on experience building responsive and scalable web interfaces using React.js and Tailwind CSS. Skilled in collaborating with cross-functional teams, integrating RESTful APIs, and delivering clean, production-ready user interfaces. Passionate about creating user-friendly digital experiences and continuously learning modern web technologies.

## Work Experience

---

**Third Eye AI (A JBM Group Company), Gurugram**

June 2024 - Present

*Frontend Engineer Intern*

- Assisted in modernizing legacy JavaScript codebases by migrating to React.js, improving maintainability and reducing UI load times.
- Developed scalable and responsive UI components using React.js and Tailwind CSS, ensuring mobile-first and cross-browser compatibility.
- Integrated frontend with RESTful APIs to enable seamless communication with backend systems.
- Collaborated closely with design and backend teams to translate requirements into clean, production-ready user interfaces.
- Conducted debugging, cross-browser testing, and performance optimizations to ensure a smooth user experience.
- Used Git, GitHub, and Visual Studio Code for version control and daily development workflows.
- Participated in Agile team stand-ups and contributed to sprint deliverables in a collaborative environment.

## Skills

---

- **Languages:** JavaScript (ES6+), HTML5, CSS3
- **Frameworks & Libraries:** React.js, Tailwind CSS, Material-UI
- **Tools & Platforms:** Git, GitHub, Visual Studio Code, REST APIs
- **Other:** Responsive Design, Cross-Browser Compatibility, Debugging & Optimization

## Projects

---

### KAIZEN

A process improvement tracking platform.

- Developed and maintained UI components using React.js, Tailwind CSS, and API integration.
- Focused on enhancing performance, responsiveness, and reusability of the codebase.

### TIMESHEET

An internal tool for employee time logging.

- Built dynamic, form-based modules using React.js, Bootstrap, and REST APIs.
- Improved data handling and real-time task tracking in collaboration with the team.

### Portfolio Website (Personal)

A personal single-page portfolio to showcase projects and skills.

- Built using React.js and Tailwind CSS with smooth scroll, clean layout, and responsive design.

### To-Do List App (Personal)

A lightweight task management app.

- Created using HTML, CSS, and JavaScript with add/delete/complete features and local Storage support.

## Education

---

### Bachelor of Computer Applications (BCA) – 75%

Dev Samaj College for Women, Ferozepur, Punjab

August 2021 – May 2024

### Advance Diploma in Computer Applications (ADCA) – 96%

Institute for Advanced Computer Technology (IACT)

May 2021 – May 2022

### Senior Secondary (12th), PSEB – 87%

Govt. Girls Senior Secondary School, Jalalabad, Punjab

April 2020 – March 2021

### Secondary (10th), CBSE – 67%

Kendriya Vidyalaya, Jalalabad, Punjab

April 2018 – March 2019

## Certifications

---

- **Learn JavaScript Course** – *Codecademy* Issued: June 2025  
Gained hands-on experience with modern JavaScript concepts including functions, objects, loops, DOM manipulation, and ES6+ features.
